Issue:

Authorization, acceptance and execution of a Right-of-Entry Agreement from Aspen Village Apartments, L.L.C.

Synopsis:

Aspen Village Apartments L.L.C. have signed a Right-of-Entry Agreement for underground power burial for the 3500 South Widening Project. This project extends along 3500 South between 2700 West and Bangerter Highway.

Background:

This parcel located at 3043 West 3500 South is one of the properties requiring a public utility easement for the burial of the overhead power lines on 3500 South. The Owner has signed the Right-of-Entry agreement to allow the work to begin on their property. Upon completion of the appraisal process, Public Utility Easement will be acquired, purchased and executed. The Right-of-Entry Agreement will allow UDOT, Rocky Mountain Power and its contractors to proceed in the interim.

Recommendation:

Accept and record Right-of-Entry Agreement.
